Dear Sir,

Stourbridge Local Department Committee,
Lighting at L.M.S. Water Column, Halesowen.

With reference to Item No.2. of meeting held at Stourbridge on October 23rd last, this matter was submitted to Mr. Collett who has been in communication with the L.M.S. Engineer, and that gentleman has informed him that owing to the small number of engines taking water after dark, there is no justification for the provision of a Lamp at the Water Column.

Will you please note.

Yours truly,

R.H. Grey.

Mr. Bruton,

Stourbridge.
